Dear Sri Saibaba Mandir,

Thank you for your generous donation of 191 pounds of food on 6/22/2026 to Bountiful Basket Food Shelf.

Because of you, every neighbor who turns to Bountiful Basket can count on being welcomed with dignity and having access to healthy, nutritious food—not just today, but in the months to come.

Your generosity is making a real difference for families in our community.

The need for food support in our community remains high. Families are still navigating rising grocery costs and a shortage of affordable housing. For many, life can change in an instant—a divorce that suddenly creates a single-income household, a medical diagnosis that drains savings, or a job loss that comes without warning. When the unexpected happens, even the most stable families can quickly find themselves needing support.

Support from donors like you allows us to remain flexible and respond as needs shift—helping Bountiful Basket adapt and pivot when circumstances change, such as during government shutdowns or, just as we recently experienced, times when families are afraid to leave their homes.

Thank you for your unwavering support and generosity that makes this work possible. Because of you, we are building a stronger, more resilient community where no one has to face hunger alone.

Thank you for nourishing our community and helping make the year ahead one filled with care, dignity, and possibility.

With heartfelt gratitude,

**Patti Sinykin, Executive Director**
