Dear Satya and Members of the Sri Saibaba Mandir Temple,

We are so very grateful for the Sri Saibaba Mandir's generous support in providing access to nutrition to those most in need.

The meals prepared by the Members of the Mandir support our program as we continue to grow. Last year we prepared and delivered over 236,000 ready-to-enjoy meals, up from 92,000 the year before.

We look forward to receiving the meals each week and delivering them to those most in-need every Friday.

Please let us know what we can do to support you.

With gratitude,
