Dear Satya Prakash Bajjuri,

On behalf of the students and families of Minneapolis Public Schools, I want to thank you for the generous donation of 180 backpacks filled with school supplies, a value of \$2,500. These materials will be used across the district and by our students, to help them show up to school ready to learn.

We are grateful not only for the thoughtfulness of your gift but also the concern for Minneapolis Public School students that it reflects. Your donation plays an instrumental role in providing students with a supportive learning environment.

We acknowledge that you received no goods or services in exchange for this donation and that it is tax-deductible to the full extent of the law.

Thank you for your partnership in our mission *to ensure that all students learn*.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lilian Sand'.
